## Smiths Tubular Systems

29 January, 2009

**Smiths Tubular Systems (STS)** Formerly Titeflex, is pleased to announce that we have signed a worldwide distribution agreement with Avion Global for our Titeflex hose products to the aviation industry. This agreement includes hose products from OEM facilities located in Laconia, NH USA and Ozoir la Ferrière, France.

**STS** is an OEM to Boeing, Airbus, Lockheed, GE, P&W, Rolls Royce, CFMI, Messier Dowty, Goodrich, etc. The applications include fuel, hydraulic, pneumatic, oxygen, lubrication, air conditioning, potable and waste water among other applications.

**Avion Global** is an international sales and distribution company specializing in aftermarket services and parts sales to commercial airlines and MRO facilities worldwide. Avion Global has technical sales professionals located in Asia, North America, Latin America, Europe, The Middle East and other regions with a track record of success in serving their clients and customers.
